Baby Care

Personal Baby® Protect & Sec diapers was lovingly developed to serve our consumers who seek quality, comfort and protection for their baby. The Personal Baby Protect & Sec diaper has a 5-layer technology that allows for higher absorption and keeps the skin drier and healthier for up to 12 hours.

Personal Baby® Premium Protection brings to Brazil an innovation that guarantees maximum care and comfort for babies.

Produced with Japanese technology Personal Baby® Premium Protection diapers use an exclusive 3D Pro Comfort System with high-absorption channels that quickly absorb baby's pee keeping it away from the baby's skin. The diapers also has an ultra-breathable layer and elastic ears for a perfect fit providing maximum comfort for the baby.
